## 62, TIME CONTROL

### A. Progress of work and Re-scheduling programme.

(i). The Block Development Officer / Engineer- in- Charge shall issue the letter of Acceptance to the successful contractor. The issue of the letter of acceptance shall be treated as closure of the Bid process and commencement of the contract.

(ii) Within 15 days of issue of the letter of acceptance, the contractor shall submit to the Engineer-in-Charge for approval a programme commensurate to Clause no. B showing the general methods, arrangements, and timing for all the activities in the Works along with monthly cash flow forecast.

### B. The Contractor shall submit a Bar Chart of the work before commencement of the Work.

(i). An update of the Programme shall be a programme showing the actual progress achieved on each activity and the effect of the progress achieved on the timing of the remaining work including any changes to the sequence of the activities

(ii). The Engineer-in-Charge's approval of the programme shall not alter the Contractor's obligations. The Contractor may revise the programme and submit it to the Engineer-in- Charge again at any time. A revised Programme is to show the effect of Variation and Compensation Events.

### C. Extension of the Completion Date.

(i). The time allowed for execution of the works as specified in the Contract data shall be the essence of the Contract. The execution of the works shall commence from the 15th day or such time period as mentioned in letter of Award after the date on which the Authority shall issue written orders to commence the work or from the date of handing over of the site whichever is later. If the Contractor commits default in commencing the execution of the work as aforesaid, Corporation shall without prejudice to any other right or remedy available in law, be at liberty to forfeit the earnest money & performance guarantee / Security deposit absolutely.

(ii). As soon as possible after the Agreement is executed the Contractor shall submit the Time & Progress Chart for each milestone and get it approved by the Block Development Officer. The Chart shall be prepared in direct relation to the time stated in the Contract documents for completion of items of the works. It shall indicate the forecast of the dates of commencement and completion of various trades of sections of the work and may be amended as necessary by agreement between the Block Development Officer, Gunupur and the Contractor within the limitations of time imposed in the contract documents, and further to ensure good progress during the execution of the work, the contractor shall in all cases in which the time allowed for any work, exceeds one month (save for special jobs for which a separate programme has been agreed upon) complete the work as per milestone given in contract data.

(iii). In case of delay occurred due to any of the reasons mentioned below. the Contractor shall immediately give notice thereof in writing to the Engineer-in-Charge but shall nevertheless use constantly his best endeavors to prevent or make good the delay and shall do all that may be reasonably required to the satisfaction of the Engineer-in-Charge to proceed with the works.

- a. Force majeure, or
- b. Abnormally bad weather, or
- c. Serious loss or damage by fire, or
- d. Civil commotion, local commotion of workmen, strike or lockout affecting any of the trades employed on the work, or.
- e. Delay on the part of other contractors or tradesmen engaged by Engineer-in- Charge in executing work not forming part of the Contract.

f In case a Variation is issued which makes it impossible for Completion to be achieved by the intended Completion Date without the Contractor taking steps to accelerate the remaining work and which would cause the Contractor to incur additional cost, or

g. Any other cause, which, in the absolute discretion of the authority mentioned, in Contract data is beyond the Contractors control.

(iv). Request for reschedule and extension of time to be eligible for consideration shall be made by the Contractor in writing within fourteen days of the happening of the event causing delay. The contractor may also, if practicable, indicate in such a request the period for which extension is desired.

(v). in any such case a fair and reasonable extension of time for completion of work may be given. Such extension shall be communicated to the Contractor by the Engineer-in- Charge in writing, within 3 months of the date of receipt of such request. Non-application by the contractor for extension of time shall not be a bar for giving a fair and reasonable extension by the Engineer-in-Charge and this shall be binding on the contractor.

D. Compensation for Delay. Compensation @ 1% per month of for delay of work, delay to be computed on per Day basis. Provided always that the total amount of compensation for delay to be paid under this condition shall not exceed 10% of the Tendered Value of work.

E. Management Meetings.

(i). Either the Engineer or the Contractor may require the other to attend a management meeting. The business of management meetings shall be to review the plans for remaining work and to deal with matters raised in accordance with the early warning procedure.

(ii). The Engineer shall record the business of management meetings and is to provide copies of his record to those attending the meeting and to the Employer. The responsibility of the parties for actions to be taken to be decided by the Engineer either at the management meeting or after the management meeting and stated in writing to all who attended the meeting.

F. Amendment to Para 3.5.5 (V) of Note-III of OPWD Code Vol-I by modification.

For availing incentive Clause in any project which is completed before the stipulated date of completion, subject to other stipulations it is mandatory on the part of the BDO, Gunupur Block to report the actual date of completion of the project so that the report is received within 7 (seven) days of such completion by DRDA, Rayagada.

The incentive for timely completion should be on a graduated scale of 1 (one) percent to 5 (five) percent of the contract value. Assessment of incentives may be worked out for earlier completion of work in all respect in the following scale.

Before 30% of contract period = 5% of Contract Value

Before 20 to 30% of contract period = 4% of Contract Value

Before 10 to 20% of contract period = 3% of Contract Value

Before 5 to 10% of contract period = 2% of Contract Value

Before 5% of contract period = 1% of Contract Value

63. Even qualified criteria are met; the bidders can be disqualified for the following reasons, if enquired by the Department.

(a) Making a false statement or declaration

(b) Past record of poor performance

(c) Past record of abandoning the work halfway/ resignation of contract.

(d) Past record of in-ordinate delay in completion of the work.

(e) Past history of litigation.

in case of the 1st lowest tendered or even the next lowest tendered withdraw in series one by one, thereby facilitating a particular tender for award, and then they shall be penalized with adequate disincentives with forfeiture of E.M.D. unless adequate justification for such back out is furnished. Appropriate action for black listing the renderers shall also be taken apart from disincentivizing the tender.

64. The authority reserves the right for payment subject to availability of funds in concerned Head of account.

65. PROVIDING FACILITIES TO THE ENGINEER CONTRACTOR :

(a) As per works Department No.FR 11/2001/10003/00 BBSR, dt.24.05.01, 5% price preference allowed to the Engineer Contractor in the tender rates has been withdrawn.

(b) Exemption of E.M.D. to the Engineer Contractor will be allowed for a maximum of three works in a financial year for participating in the tender and the fact of participating with exemption of E.M.D. should be entered in the original Registration Certificate of the Engineer Contractor

66. The GST will be deducted from the work bill as per applicable.

67. Prevailing rate of GST & the prevailing percentage of IT Department on the gross amount of the bill will be deducted from Contractor's bill.

68. Under no circumstances interest is chargeable for the dues or additional dues if any payable for the work.

69. The Contractors are required to pay royalty to Govt. as fixed from time to time and produced. 70. Such authenticated documents in support of their payment as royalty, along with their bills. Failing which, the amount of royalties of different materials as utilized by them in the work will be recovered from their bills.

70. The contractor shall be responsible for the defect liability period for one year from the date of completion of the Project.

71. **ELIGIBILITY CRITERIA** : To be eligible for qualification, applicants shall furnish the followings.

a. Required **E.M.D.**

b. Copy of Original Registration Certificate, Valid VAT clearance certificate, PAN card, Original Affidavit / Additional Performance Security (APS) for the particular work of the Tender Notice along with the tender documents submitted to the Block Development officer, Gunupur, Rayagada.

c. Information regarding current litigation, debarring / expelling of the applicant or abandonment of work by the applicant in **schedule "C"** and **affidavit to that effect including authentication of tender documents and Bank guarantee in schedule "D"**.

d. Submission of Original Bid Security, tender paper cost and additional performance security as prescribed in the relevant clause of DTCN along with the tender documents.

e. Those Engineer Contractor and SC/ST Contractors desiring to avail benefit as allowed for EMD exemption to be necessary to record the category to which they belong in the Registration Certificate (R.C.) as well as supported with the Affidavit, otherwise their tender paper treated as

72. The terms and conditions stipulated are comprehensive but not exhaustive. All other terms and conditions as laid down in OPWD Code Vol. I, II and Circular in force shall also be applied for selecting a tender for award of work.

73. S.C./S.T. contractors should pay Earnest Money 50 % along with the attested copies of the caste certificate and an undertaking in shape of affidavit that he has not availed the concessions for more than three times in the current financial year 2020-21. If the tender of the S.C./S.T. contractor is within 10% of the rate quoted by the lowest tenderer for the work, the same will be considered for award to him/her at the lowest tender rate. Any amendment order noticed by the Government must be enclosed by the contractor to get the facilities in the tender.

74. ADDENDUM TO THE CONDITION OF **P1** CONTRACT

**Clause-2(a) of P1 Contract:-TIME CONTROL:-**

**2.1. Progress of work and Re-scheduling programme.**

2.1.1. The **Block Development Officer concerned** shall issue the letter of acceptance to the successful contractor. The issue of the letter of acceptance shall be treated as closure of the Bid process and commencement of the contract.

2.1.2. Within 15 days of issue of the letter of acceptance, the contractor shall submit to the Engineer-in-Charge for approval a programme commensurate to **Clause no. 2.1.3** showing the general methods, arrangements, and timing for all the activities in the Works along with monthly cash flow forecast.

- 2.1.3. To ensure good progress during the execution of the work the contractors shall be bound in all cases in which the time allowed for any work exceeds one month to complete, 1/4th of the whole time allowed under the contract has elapsed, 1/2 of the whole of the work before 1/2 of the whole time allowed under the contract has elapsed, 3/4th of the whole of the work before 3/4th of the whole time allowed under the contract has elapsed.
- 2.1.4 If at any time it should appear to the Engineer-in-Charge that the actual process of the work does not conform to the programme to which consent has been given the Contractor shall produce, at the request of the Engineer-in-Charge, a revised programme showing the modifications to such programme necessary to ensure completion of the works within the time for completion. If the contractor does not submit an updated Programme within this period, the Engineer-in-Charge may withhold the amount of 1% of the contract value from the next payment certificate and continue to withhold this amount until the next payment after the date on which the over due Programme has been submitted.
- 2.1.5 An update of the Programme shall be a programme showing the actual progress achieved on each activity and the effect of the progress achieved on the timing of the remaining work including any changes to the sequence of the activities.
- 2.1.6 The Engineer-in-Charge's approval of the Programme shall not alter the Contractor's obligations. The Contractor may revise the Programme and submit it to the Engineer-in-Charge again at any time. A revised Programme is to show the effect of Variations and Compensation Events.
- 2.2. Extension of the Completion Date.**
- 2.2.1. The time allowed for execution of the works as specified in the Contract data shall be the essence of the Contract. The execution of the works shall commence from the 15th day or such time period as mentioned in letter of Award after the date on which the Engineer-in-Charge issues written orders to commence the work or from the date of handing over of the site whichever is later. If the Contractor commits default in commencing the execution of the work as aforesaid, Government shall without prejudice to any other right or remedy available in law, be at liberty to forfeit the earnest money & performance guarantee / Security deposit absolutely.
- 2.2.2. As soon as possible after the Agreement is executed the Contractor shall submit the Time & Progress Chart for each milestone and get it approved by the Department. The Chart shall be prepared in direct relation to the time stated in the Contract documents for completion of items of the works. It shall indicate the forecast of the dates of commencement and completion of various trades of sections of the work and may be amended as necessary by agreement between the Engineer-in-Charge and the Contractor within the limitations of time imposed in the contract documents, and further to ensure good progress during the execution of the work, the contractor shall in all cases in which the time allowed for any work, exceeds one month (save for special jobs for which a separate programme has been agreed upon) complete the work as per milestone given in contract data.
- 2.2.3. In case of delay occurred due to any of the reasons mentioned below, the Contractor shall immediately give notice thereof in writing to the Engineer-in-Charge but shall nevertheless use constantly his best endeavors to prevent or make good the delay and shall do all that may be reasonably required to the satisfaction of the Engineer-in-Charge to proceed with the works.
- i) Force majeure, or
  - ii) Abnormally bad weather, or
  - iii) Serious loss or damage by fire, or
  - iv) Civil commotion, local commotion of workmen, strike or lockout affecting any of the trades employed on the work, or.
  - v) Delay on the part of other contractors or tradesmen engaged by Engineer-in-Charge in executing work not forming part of the Contract.
  - vi) In case a Variation is issued which makes it impossible for Completion to be achieved by the Intended Completion Date without the Contractor taking steps to accelerate the remaining work and which would cause the Contractor to incur additional cost, or
  - vii) Any other cause, which, in the absolute discretion of the authority mentioned, in Contract data is beyond the Contractors control.
- 2.2.4. Request for reschedule and extension of time, to be eligible for consideration, shall be made by the Contractor in writing within fourteen days of the happening of the event causing delay. The Contractor may also, if practicable, indicate in such a request the period for which extension is desired.
- 2.2.5. In any such case a fair and reasonable extension of time for completion of work may be given. Such extension shall be communicated to the Contractor by the Engineer-in-Charge in writing, within 3 months of the date of receipt of such request. Non-application by the contractor for extension of time shall not be a bar for giving a fair and reasonable extension by the Engineer-in-Charge and this shall be binding on the contractor.
- 2.3. Compensation for Delay.**
- 2.3.1. If the contractor fails to maintain the required progress in terms of clause 2 or to complete the work and clear the site on or before the contract or extended date of completion, he shall, without prejudice to any other right or remedy available under the law to the Government on account of such breach, pay as agreed compensation the amount calculated at the rates stipulated below as the Superintending Engineer (whose decision in writing shall

be final and binding) may decide on the amount of tendered value of the work for every completed day / month (as applicable) that the progress remains below that specified in Clause 2 or that the work remains incomplete.

This will also apply to items or group of items for which a separate period of completion has been specified. Compensation @ 1.5% per month of for delay of work, delay to be completed on per Day basis.

Provided always that the total amount of compensation for delay to be paid under this condition shall not exceed 10% of the Tendered Value of work or to the Tendered Value of the item or group of items of work for which a separate period of completion is originally given.

The amount of compensation may be adjusted or set-off against any sum payable to the Contractor under this or any other contract with the Government. In case, the contractor does not achieve a particular milestone mentioned in contract data, or the rescheduled milestone(s) in terms of Clause 2.5, the amount shown against that milestone shall be withheld, to be adjusted against the compensation levied at the final grant of extension of time. Withholding of this amount on failure to achieve a milestone, shall be automatic

without any notice to the contractor. However, if the contractor catches up with the progress of work on the subsequent milestone(s), the withheld amount shall be released. In case the contractor fails to make up for the delay in subsequent milestone(s), amount mentioned against each milestone missed subsequently also shall be withheld. However no interest whatsoever shall be payable on such withheld amount.

#### **2.4. Management Meetings.**

2.4.1. Either the Engineer or the Contractor may require the other to attend a management meeting. The business of a management meetings shall be to review the plans for remaining work and to deal with matters raised in accordance with the early warning procedure.

2.4.2. The Engineer shall record the business of management meetings and is to provide copies of his record to those attending the meeting and to the Employer. The responsibility of the parties for actions to be taken to be decided by the Engineer either at the management meeting or after the management meeting and stated in writing to all who attended the meeting.

**Clause-2 (b) of Percentage Rate P1 Agreement:- Rescission of Contract (Amendment as per letter No.10639 dt 27.05.2005 of Works Department, Odisha ):-**To rescind the contract (of which rescission notice in writing to the contractor under the hand of the Executive Engineer shall be conclusive evidence), 20% of the value of left over work will be released from the contractor as penalty.

Annexure-I

1) (A) Amendment to Para-3.5.5 (V) of Note-II of OPWD Code, Vol-I by modification

Note- (II) - Additional Performance Security shall be obtained from the bidder when the bid amount is less than the estimated cost put to tender. In such an event, the bidders who have quoted less bid price/rates than the estimated cost put to tender shall have to furnish the exact amount of differential cost i.e. estimated cost put to tender minus the quoted amount as Additional Performance Security in shape of Demand Draft / Term Deposit Receipt pledged in favour of the Divisional Officer in the sealed envelope along with the price bid at the time of submission of bids.

The bids of the technically qualified bidders will be opened for evaluation of the price bid. In case of the bidders quoting less bid price/rate than the estimated cost put to tender and have not furnished the exact amount of differential cost (i.e. estimated cost put to tender minus the quoted amount) as Additional Performance Security in shape of Demand Draft/Term Deposit Receipt, their price bid will not be taken in to consideration for evaluation even if they have qualified in the technical bid evaluation.

(B) Amendment to Para-3.5.5 (V) of Note-III of OPWD Code, Vol-I by modification

Note-(III) – For availing Incentive Clause in any project which is completed before the stipulated date of completion, subject to other stipulations it is mandatory on the part of the concerned Executive Engineer to report the actual date of completion of the project as soon as possible through Fax or e-mail so that the report is received within 7 (seven) days of such completion by the concerned Superintending Engineer, Chief Engineer & the Administrative Department.

The incentive for timely completion should be on a graduated scale of 1 (one) percent to 5 (five) percent of the contract value. Assessment of incentives may be worked out for earlier completion of work in all respect in the following scale;

- Before 30% of contract period =5% of Contract Value
- Before 20 to 30% of contract period =4% of Contract Value
- Before 10 to 20% of contract period =3% of Contract Value
- Before 5 to 10 % of contract period =2% of Contract Value
- Before 5% of contract period =1% of Contract Value "
