Technical Specifications:

- **Sensor Type:** 35 mm full-frame back-illuminated CMOS sensor
- **Effective Resolution:** 60 plus Megapixels
- **Lens Mount:** Compatible with E-mount lenses
- **Image Processor:** Advanced image processing engine for high-speed performance
- **ISO Range:** Wide standard ISO range for low-light capability
- **Autofocus:** Fast Hybrid AF system with real-time tracking and Eye AF
- **Continuous Shooting:** High-speed continuous shooting capability
- **Video Recording:** 4K video recording with advanced image stabilization
- **Viewfinder:** High-resolution electronic viewfinder
- **Display:** Tiltable touchscreen LCD
- **Connectivity:** Built-in Wi-Fi, Bluetooth, and USB 3.2 for fast transfers
- **Body Construction:** Weather-sealed magnesium alloy body.

Criteria for Selection: Price, quality, and durability will be considered in the selection process. The Purchase Committee reserves the right to accept or reject any quotation without assigning any reason.

Delivery: Delivery should be within 10 days of the issue of the work order

Submission Requirements:

- **All quotations should reach the office by 25.02.2025, 11:00 AM.** Late submissions will not be considered. The Quotations will be **opened on the same day i.e. on dtd. 25.2.2025 at 4 P.M.**
- Quotations must be submitted **either by postal mail or in the designated drop box at the Division Office, Rayagada, strictly in a sealed envelope.**
- The envelope should be labelled with the following:
"Quotation for [Item Name] – [Your Company Name]"
Example: *"Quotation for Supply of a 35mm Full-Frame Mirrorless Camera (60 plus MP)] "*

Other Terms & Conditions:

- **Warranty:** Three-year manufacturer warranty.
- **After-Sales Support:** Vendors must provide after-sales support for troubleshooting, software updates, and minor repairs.
- **Servicing:** Please specify if any post-installation servicing and support is provided, including repair, software updates, or hardware servicing.
- **Demonstration:** A demonstration of the product should be provided upon request before finalizing the order. This should include showing product features and real-time performance.

- **Testing & Evaluation:** The cameras should be delivered for testing prior to final acceptance. The product will be assessed for functionality, durability, and compliance with the specifications.
- **Pricing:** Provide a detailed breakdown of prices including taxes, delivery charges, and any additional fees.
- **Compliance with Standards:** The product must comply with all applicable industry standards and certifications.
- **Training:** If required, vendors should provide basic training for personnel on handling and maintaining the camera.
- **Contract Termination:** The purchasing authority reserves the right to cancel the order or terminate the contract if the vendor fails to meet the agreed terms.
- **Documentation:** All necessary documentation, including a user manual, warranty card, and invoice, should be provided at the time of delivery.

Important Notes:

- The purchase will be made subject to the availability of funds.
- Payment will be made as per the agreed terms upon delivery and installation
- Non-compliance with the specifications or failure to meet delivery deadlines may result in cancellation of the order and blacklisting from future tenders.

We request you to submit your quotations in accordance with the attached table and as per the guidelines listed below. The selection of suppliers will be based on the price, quality, and suitability of each product.

For any queries, please contact: -
