We request you to submit your quotations in accordance with the attached table and as per the guidelines listed below. The selection of suppliers will be based on the price, quality, and suitability of each product.

Terms & Conditions:

- **Warranty:** The vendor shall provide a warranty period for the GPS trackers to cover any manufacturing defects or malfunctions. The warranty terms should be clearly stated.
- **Servicing:** Please specify if any **post-installation servicing and support** is provided, including repair, software updates, or hardware servicing.
- **Demonstration:** A demonstration of the product should be provided upon request before finalizing the order. This should include showing product features and real-time performance.
- **Testing & Evaluation:** The cameras should be delivered for testing prior to final acceptance. The product will be assessed for functionality, durability, and compliance with the specifications.
- **Battery Performance:** The battery should support 12 hours of continuous operation during usage in the field. Vendors must demonstrate that the battery capacity and longevity are as per the quoted specifications.
- **Pricing:** Provide a detailed breakdown of prices including taxes, delivery charges, and any additional fees.
- The purchased items may be subject to inspection at the time of delivery. If found defective or not meeting the specifications, the product may be rejected.

SI No 2: Sony Alpha 7R IV 35 mm full-frame camera with 61.0 MP or other Camera with Similar Specifications

Terms & Conditions:

- **Product Specifications:** The camera provided must meet the specifications of a 'Sony Alpha 7R IV 35 mm full-frame camera with 61.0 MP' or equivalent in terms of resolution, sensor size, and features.
- **Quality Assurance:** The vendor shall ensure that the camera meets high-quality standards and is free from defects in materials and workmanship.
- **Warranty Coverage:** The camera should come with a warranty that covers any manufacturing defects or malfunctions for a specified period. The warranty terms must be clearly defined.
- **Delivery Schedule:** The vendor is responsible for delivering the camera within the agreed-upon timeline. Any delays should be communicated in advance.
- **Installation and Training:** If required, the vendor should provide installation support and training on the operation of the camera to the satisfaction of the procuring entity.
- **Data Security and Privacy:** The vendor must ensure data security and privacy of any captured images or videos by the camera, complying with relevant regulations and standards.
- **Payment Terms:** Payment terms, including the total cost, payment schedule, and any applicable taxes or fees, should be mutually agreed upon by both parties.
- **Ownership Rights:** The ownership rights of the camera and accompanying accessories shall transfer to the procuring entity upon successful delivery and payment.
- **Compliance and Certification:** The camera should comply with industry standards and certifications, and the vendor must provide necessary documentation to prove compliance.

SI No 3: GPS Trackers for Patrolling vehicles:

GPS Tracker to have the following functions:

1. **Real-Time Tracking:** The GPS tracker should provide real-time location updates for accurate monitoring of the vehicle's whereabouts.
2. **Geofencing:** Ability to set up virtual boundaries and receive alerts when the vehicle enters or exits predefined areas.
3. **History and Reports:** Capability to store historical data and generate reports on routes taken, stops made, and speeds travelled.
4. **Tamper Alerts:** Notification in case of any tampering with the device or when the device is disconnected.
5. **Mobile App Compatibility:** Compatibility with mobile apps for easy access to tracking data on smartphones or tablets.
6. **Battery Life:** Long battery life or option for hardwired installation to ensure uninterrupted tracking.
7. **SOS Alerts:** Provision for SOS alerts or panic buttons for emergency situations.
8. **Remote Engine Shutdown:** Ability to remotely shut down the vehicle's engine in case of theft or unauthorized use.
9. **Easy Installation:** Simple and easy installation process that doesn't require extensive technical knowledge.
10. **Integration:** Capability to integrate with fleet management software for comprehensive vehicle tracking and management.

Terms & Conditions for GPS Tracker Procurement:

- **Delivery Schedule:** The vendor shall adhere to the agreed-upon delivery schedule for the GPS trackers. Any delays must be communicated in advance.
- **Product Quality:** The GPS trackers provided must meet the specifications and quality standards agreed upon during the procurement process.
- **Warranty:** The vendor shall provide a warranty period for the GPS trackers to cover any manufacturing defects or malfunctions. The warranty terms should be clearly stated.
- **Installation and Support:** The vendor should offer installation support and necessary guidance for the proper setup and functioning of the GPS trackers in the vehicles.
- **Data Security:** The vendor must ensure data security and confidentiality for all tracking information collected by the GPS trackers.
- **Compliance:** The GPS trackers supplied should comply with all relevant regulations and standards in the location where they will be used.
- **Payment Terms:** Payment terms, including any advance payments, milestone payments, or credit arrangements, should be mutually agreed upon by both parties.
- **Ownership Rights:** The ownership rights of the GPS trackers and associated software shall remain with the procuring entity upon successful delivery and payment.

SI No 5: Camping Chairs

Specifications for Procuring Camping Chairs:

1. **Design Type:** Folding chairs
2. **Material:** Lightweight yet durable fabrics for the chair frame and seat.
3. **Weight Capacity:** Chair should be able to withstand weight of adult person (about 100 Kgs)
4. **Portability:** Easy to fold, lightweight, with carrying bags for convenient transportation.
5. **Durability:** Chairs to withstand outdoor conditions with sturdy construction and weather-resistant materials.

Terms & Conditions for Procuring Camping Chairs:

- **Quality Assurance:** Camping chairs must meet specified quality standards and be free from defects in materials or workmanship.
- **Delivery Schedule:** Vendors should adhere to the agreed-upon delivery timeline. Any delays must be communicated in advance.
- **Warranty Coverage:** Chairs should come with a warranty covering manufacturing defects for a specified period. Warranty terms must be clearly outlined.
- **Payment Terms:** Payment terms, including any advance payments, milestone payments, or credit arrangements, should be mutually agreed upon by both parties
- **Compliance:** Chairs should comply with safety regulations and industry standards. Vendors must provide necessary certifications.
- **Ownership Rights:** Ownership of the camping chairs and accessories transfers to the procuring entity upon successful delivery and payment.
